DIVISION?

This house stood same spot De Neville near shore

Is this the present
side of the house with
the river at right?

The pines have grown - Could they be 170 years old?

THE CHIMNEYS AREN'T IN THE RIGHT PLACES.

DeNaville-Denker house, New Brunswick 1968.

Room with
Swedish panelling
added. window on
ground floor added
recently.

Denker's house is 40 ft. sq.
